To My Dearest Family & Friends

There are so many things that I'd really like to say,
But first of all to let you know that I arrived up here okay.
I'm writing this from Heaven where I dwell with God above,
Where there's no more tears or sadness here, just His eternal love.

Please do not be unhappy just because I'm out of sight,
Remember that I'm with you morning, noon and night.
That day I had to leave you, my life on Earth was through,
God picked me up and hugged me and said "I welcome you".

"You must know that you are missed, now that I am gone.
And for you my dearest family, you'll be here later on.
I need you here to be a part of My much bigger plan,
There's so much that we can do to help our mortal man".

Then God gave me a list of things He wanted me to do,
And foremost on that list is to watch and care for you.
So I'll be right there beside you every day and week and year,
And days when you're sad, remember that I'll still be there.

When times are dreary and troubling words are said,
I'll wipe away your tears while you are lying in your bed.
When troubles cause you to pray with all your might,
God and I are closest to you in the middle of the night.

When you think of my life on Earth and all those loving years,
Because you're only human they are bound to bring you tears.
But do not be afraid to cry, since it does relieve the pain.
Remember there would be no flower's bloom without the rain.

I wish that I could tell you what God for you has planned,
But if I were to tell you, you still would not understand.
One thing is for certain now that my life on Earth is o're,
I am closer to you right now than ever I was before.

And to my many friends, "Trust God, He knows what's best",
And I'm still not that far away, I'm just beyond the crest.
There are rocky roads ahead of you and hills for you to climb,
But together we can make it, by taking just one day at a time.
It was always my philosophy and I'd like it for you too,
That as you give unto the World, the World will give to you.
If you can help somebody who is in sorrow or in pain,
Then you can say to God at night "My day was not in vain."

And now I am contented that my life it was worth while,
Knowing that along the way, I made somebody smile.
So if you meet somebody who is down and feeling low,
Just lend a hand to pick him up as on your way you go.

While walking down the street with Me there on your mind,
I'm walking in your footsteps just a half a step behind.
And when you feel the gentle breeze across your face,
That's me giving you a great big hug and a soft embrace.

Now when it's time for you, from that body to be free,
Remember you're not going away, you're coming here with me.
And I will always love you from this place way up above,
Let's be in touch again real soon. P.S. God sends His Love.
